

FOR BECKI & JASE

Bless These Rings

. . .

These two rings will be exchanged today, and worn for a lifetime.

Before they are, we would love them to pass through your hands.

*Hold them for a moment. Make a silent wish for the marriage — for patience,
for laughter, for many ordinary happy years — and then pass them gently on.*

By the time they reach the altar, they will be carrying every good
thing you wished into them.

. . .

Thank you
